## MY DEVELON

A digital platform that leverages equipment and user data to offer comprehensive service solutions for construction equipment throughout its lifecycle.

## "Develop your business with MY DEVELON"

## One-stop Integrated Solution

MY DEVELON aims to enhance convenience by integrating traditionally separate areas. It provides a comprehensive solution that consolidates all equipment information and digital services onto a single platform.

## Personalized Service

MY DEVELON applies personalization to dashboard widgets and report content, tailoring information according to the user s business role for a customized experience.

Additionally, it provides customized services based on your work environment and job type, introducing a more convenient and tailored experience compared to the previous uniform service structure for you.

## Scalable Platform Services

MY DEVELON is designed to be versatile and adaptable, allowing for expansion beyond its initial services through customer data, integration with external digital services, and advancements in technology.

Particularly, its widgets and beta services stand out by enhancing scalability, accessibility, and deliverability, providing a flexible foundation for future growth and innovation.

### OPERATION

You can easily access and manage equipment information and maintenance costs on the platform anytime, anywhere. Retrieve details such as location, uptime, utilization, and fuel costs based on field data, enabling efficient work planning by considering the progress at the job site.

## HEALTH

Based on reliable manufacturer information, you can have checklists for each usage cycle and receive replacement cycle reminders for consumable parts. In the event of equipment defects, you will receive notifications and can request service immediately. This ensures swift service support from certified DEVELON dealers and minimizes machine idle time.

## E-COMMERCE

You can purchase a variety of digital products and certified genuine parts for your equipment online. Elevate your experience by subscribing to our exclusive digital services.

## LIBRARY

Saving your time to find all the documents about your equipment. We provide monthly operation reports, manuals, parts books and more. This helps you to access to a wide range of information and knowledge of your equipment.
